WHO WE ARE

Our Lady of Mercy Vocational Training Centre is a higher learning tertiary centre which is located along Likoni Road, at the Mukuru Promotion Centre Head Office. Mukuru Promotion Centre is an organization run by the Sisters of Mercy. It deals with education, health and social programs.

At Our Lady of Mercy Vocational Training, students can acquire technical skills in different fields that can help them later in their future careers and also in life. The Skills Training Centre is specially designed to impart practical skills to students with a view to future employment.

The Vocational Training Centre was born out of a sincere desire to provide a wholistic approach in higher education, and reaches out to provide stimulation and motivation for self-development for our students.

Facilities include classrooms, computer lab, hairdressing lab, catering skills restaurant for practicals, dressmaking class, which all have modern facilities.
